Midwest model kit Boothbay Lobster boat

Started Building the midwest lobster boat kit in Nov. She's almost complete I wish I'd posted more Photos of the build . I not sure what to name her But I'm leaning towards a Stompin Tom Conner's song title Muk Tuk Annie or may be Gumboot Cloggeroo

Midwest lobster boat

Just wanted to mention to Martin if you build the lobster boat be sure to put ballast in her I've seen one that flipped over in Spenser's pool because the wind was a bit strong near Lake Ontario . ?

Boothbay Lobster Boat Midwest Kit

I've finished up the Booth Bay lobster boat exterior. Need to start on the electronics Ordered a Pro Boat speed control that hasn't arrived yet , I will use 7.2 NIMH battery for power & a Hobby King 2.4 Ghz 6 channel transmitter .

Lights on at Spencers pond tonight

Model boats are always being upgraded because the club is having a night run I need to put some lights on Gumboot Cloggaroo lobster boat so off to the \$ store for some LED lights & double sided tape . Sept. 24 2019 .
