Frank Rayner Barge Build

Hello All, I am getting back into model boats after stumbling across a box of rc model boat plans at a boot sale. £10 later and 87 model boat plans were mine!? After looking at them when i got home i have decided to have a go at building the Frank Rayner Barge as it looks to be a straight forward build (hopefully). I will post pics of the build (starting this weekend). Any advice would be welcome to assist me along the way.. kind regards chris

What filler?

Hello All, i have made good progress over the weekend on the hull and i have started to sand and shape both the bow and stern. My question is if i need to use any filler, what would you recommend? thanks
