# RAF high speed rescue launch 2642

by Teleg

23rd Sep 2019

## RAF high speed rescue launch 2642

I'm looking for a plan for the subject launch 2642. I understand one may have existed from British Model Plan, Thames model 1258. This was a 1 off craft built for the RAF rescue service in the mid 40s by the Walton yacht company.

24th Sep 2019

## The Plan :-))

Hi Teleg, To cut a long story sidevays!? Here it is.  
<https://www.sarikhobbies.com/product/walton-thames-plan-mm103/> Happy building? ?Here
