## Model boat's push tug

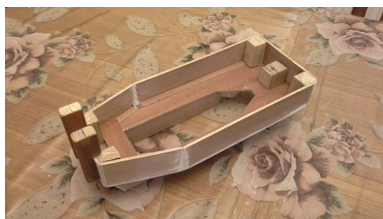

by jacko

11th Nov 2019

## Model boat's push tug

after reading model boats mag i started this still a way to go as i found a 1/4 sheet of 1/8 ply

15th Nov 2019

## Lighter

just the basic parts cut this afternoon now need to finish tug size of lighter is 24" x 6" x 3" all from 1/8 ply

build part No ?

work on deck 2 hatches and yes more notice board pins note red / green one's  
this will donate the front as i might use magnets when pushing. need to finish  
gluing the its on with the painting
