## sealing

by brianupyonder

21st Nov 2020

## sealing

when i have finished sanding down [ply] what is best to seal it, cannot go to modellers all closed [lockdown] and what type of paint is best to use thanks in advance brian

## sealing

have decided to wait for my local model shop to open, about 10 days to buy sealer and other stuff im not in a rush i think the local ones need all the help they can get brian
