## Motor Lifeboat 47

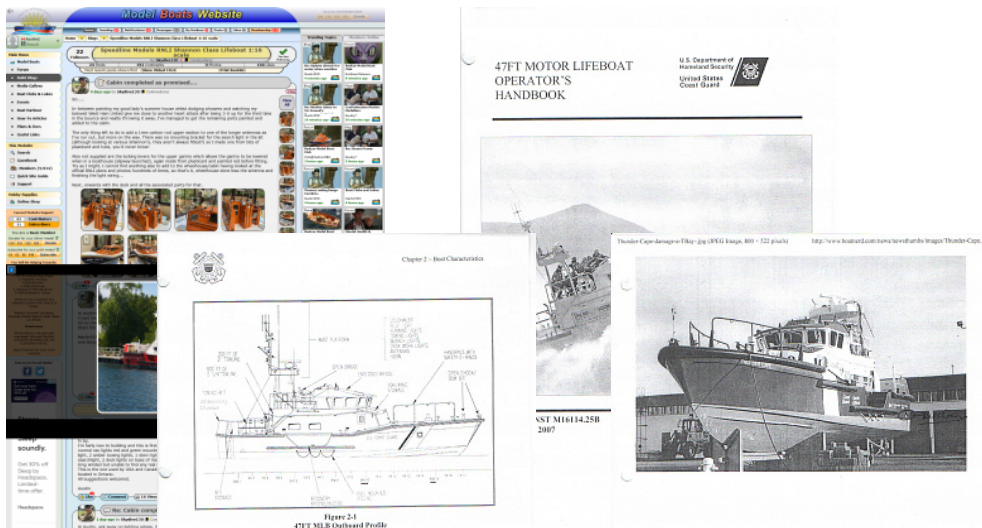

by AustinG

20th Apr 2021

## Motor Lifeboat 47

Vessel originally designed by the US Coast Guard and entered service in 1997. The Canadian version is almost identical, CCGS Thunder Cape which is a SAR lifeboat based in Ontario, Canada. The builder was Metal Craft Marine Ltd, constructed in aluminium and launched in 2000. She has a crew of four and is designed for heavy weather, self righting recovery to continue mission with a cruising speed of 22 knots and max of 25. more photos of model construction to follow.
